Release Notes

CWS Updates

Resolved Issues

We addressed the following issues in the current release to ensure your experience is top notch!

1. Return Receipts Incorrectly Displaying Tip Value

An issue where partial returns were displaying the amount returned, as well as the tip amount, has been resolved. Receipts now only display the total amount returned.

TFS ID	Description
168622	ERS: Return of authorizeandcapture with tip receipt displaying the tip in the receipt sale information but shouldn't

2. More Accurate Email Receipting for Merchants

To ensure accurate email receipt delivery, emails are now delivered from myemailreceipt.com domain.

TFS ID	Description
175798	PROD: Email receipts not being sent
